TERMS AND CONDITIONS

1. Whilst Kids Carts party host will entertain the children on the track, parental supervision is required, with the responsibility resting with the parents for the safety of the children off the track.
2. At the start of the party children are given full instructions on how to drive the Kids Carts and a full safety briefing. Therefore, we politely request that all children arrive on time to avoid delay or disruption to the party. We recommend a briefing time of 5-10 minutes before the party is due to commence. If a child misses the briefing, means no driving of the Kids Carts. If a briefing has to be redone, track time will be cut shorter as the briefing must be done for all children.
3. Kids Carts Party caters for children between 4-11 years of age. The child size must comply with being able to be confined by the seat belt.
4. The Kids Carts are not to be used as bumper carts.
5. We reserve the right to exclude any child from the party that is in our opinion disruptive, destructive or causing a danger to themselves or others.
6. Should we consider a child is not able to control the Go Kart adequately enough in order not to put other children or our staff at risk during the party, we reserve the right to refuse a child further participation in the event. No refund is given for that child.
7. Kids Carts parties are for the time slot chosen and run on a strict schedule. Any delays will result in delays for the next party. We ask politely that you take into consideration other parties and adhere to your time slot allocated.
8. It is understood that the Kids Carts are a motorized vehicle. Injuries may occur. Staff, Employees, Directors or associates of Kids Carts or associated businesses are not liable for any injuries caused. Kids Carts will do it best to ensure the safety of your child and all other children in your party.
